

MOU

Dnyandeep College of Pharmacy has established several strategic Memorandums of Understanding (MoUs) with renowned institutions and hospitals, aiming to enhance the educational experience and professional development of students. These MoUs serve as vital partnerships that bridge the gap between academia and industry, ensuring that the college remains at the forefront of pharmaceutical education and research.

Through these MoUs, Dnyandeep College of Pharmacy collaborates with top pharmaceutical companies, research institutions, and universities to engage in cutting-edge research and development. These partnerships provide students and faculty with opportunities to work on innovative projects and access advanced laboratories.
